# Dental Savings Plan

An affordable alternative to dental insurance for you and your family

(706) 798-8300

## WHY THIS PROGRAM WAS CREATED

One of the goals of Westmoreland Family Dentistry is to provide quality dental care at an affordable price. However, the cost of health and dental care continues to increase each year. In an effort to encourage good dental health and alleviate rising dental costs, we have developed an "In-House" Dental Savings program available to patients who do not have dental insurance coverage. Our dental program provides a wide scope of benefits at an affordable price to help minimize the cost of your dental needs.

This is NOT dental insurance. Enrolling in our In-House Dental Savings Plan gives you the opportunity to obtain your dental treatment at affordable prices. It cannot be combined with dental insurance or other reduced fee dental plans.

The plan is designed to provide affordability and greater access to quality dental care.

With your Dental Savings Plan there are:
